

TAKES CHARGE OF TONOPAH UNITED WATER OFFICE

LOCAL REPRESENTATIVE SUC-
CEDED BY A SAN FRAN-
CISCO BUSINESS MAN

F. A. Burnham, of San Francisco, arrived in Tonopah several days ago and will take charge of the local office of the Tonopah United Water company, relieving R. M. Boykin. Mr. Burnham has had a wide experience in business life and comes well recommended, to look after the affairs of the water company. Although he has only been in town a few days, he is rapidly becoming acquainted with the business men. He assures all patrons of the United that all complaints will be given his immediate attention and courteous and civil treatment will be shown to all with whom he comes in contact.

Mr. Burnham is accompanied by his wife and the couple have taken apartments at the Mizpah for the winter.

JUDGE BUSY TRANSLATING THE EVIDENCE

INTERESTING CASE WORKS A
HARDSHIP ON JUSTICE
COURT OFFICIAL

Marco Dobroslovich, his wife Nemo (ditto the last name) and Mike Vucovich were the principal actors in the justice court yesterday, and for several hours Judge Atkinson was kept busy translating the Serbian language into United States and backwards. Marco and Nemo— their last name is given above— brought suit on a promissory note signed by Mike, for the sum of \$290. Mike was to pay \$19 per month, commencing November 10, 1908. Marco—he of the undigestible name, averred that but \$45 had been paid, while Mike contended that he had paid \$120.

Both sides produced witnesses and each swore to conflicting stories. So great was the tangle that after the case had been submitted the court announced that a decision would not be rendered until 9:30 this morning.

TWO NARROW ESCAPES FROM SERIOUS INJURY

TONOPAH MEN MEET WITH
MINOR INJURIES YESTER-
DAY AFTERNOON

Joe Viola, a miner employed in the Mizpah mine, yesterday had what might be termed a narrow escape from death. While at work in the underground workings, Viola was struck by a lagging, which had fallen some distance down a slope. His skull was bruised as well as his legs, the falling timber rebounding after first striking Viola on the head. His injuries are not considered very serious and the man was able to walk to his home without assistance.

Arthur Brooks, of the Tonopah Lumber company, also met with an accident yesterday afternoon which will keep him out of mischief for a few days. Brooks was wrestling with a load of lumber which he had delivered at the Montana and in unloading one of the scantlings, he happened to place a leg in the way of the board and a sprained ankle resulted. The injury was not serious but was exceedingly painful. The former baseball star sought a physician and had the sprain attended to. He will be back at his old vocation in a few days.
